

Direct Debit Scheme

The Scheme

Parents can choose to pay in three equal monthly instalments. Payments are collected on the last working day of each month, beginning with the first month of the term — for example, the Autumn Term payments would be taken in September, October and November.

The Benefits

- Under the usual terms, fees must be paid on or before the first day of term. With our Direct Debit scheme, you gain extra time to pay — essentially offering interest-free credit.
- Break your termly fee into three manageable monthly payments, easing the financial pressure of paying it all at once.
- Payments are collected automatically, and your invoice clearly states when each payment will be taken — giving you complete peace of mind.

Why Terra Nova?

We have ambition for every child – we nurture in our pupils a growth mindset to embrace experiences and achieve their ambitions.

A range of boarding options, including full, weekly and flexi from Year 3 – a great preparation for full boarding at senior school.

A direct pathway to Shrewsbury School – excellent academic preparation and personal development.

An outstanding education where pupils acquire the character values that lead to success for life.
